

STUDENT ADVISORY PANEL MEETING
MARCH 16TH

#VISION97 #4ALL

D97's Shared Vision:

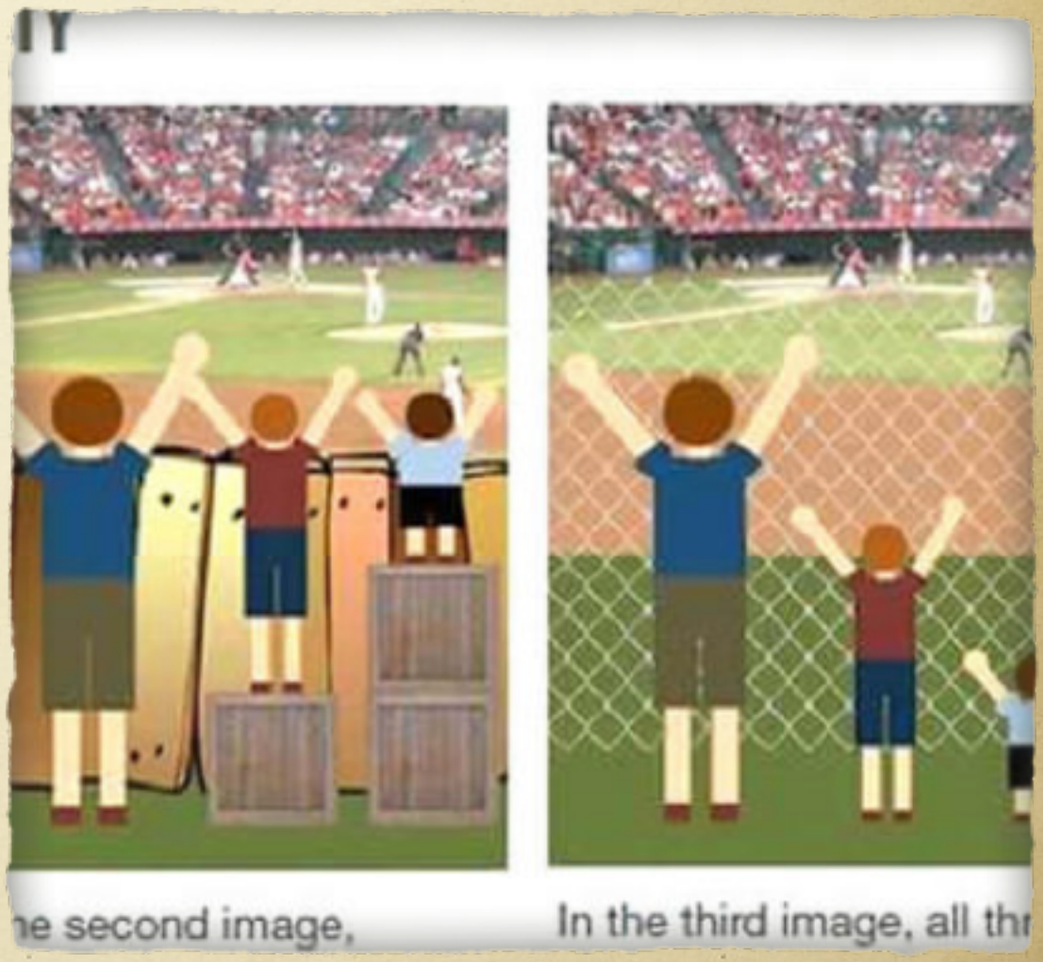
"*Create a* positive learning environment *for all District 97 students that is* equitable, inclusive *and* focused on the whole child."

Equitable

Is the practice of beliefs and creation of systems that provide access and opportunities for all students in order to eliminate the predictability of outcomes associated with race, gender and socioeconomic status.

D97 Goals

1. Every student is challenged & engaged
2. Each student has access to programs & supports to prepare them for success in high school
3. We support each student to be a critical thinker, ready to contribute to their community



~~"...some students experience D97 differently"~~

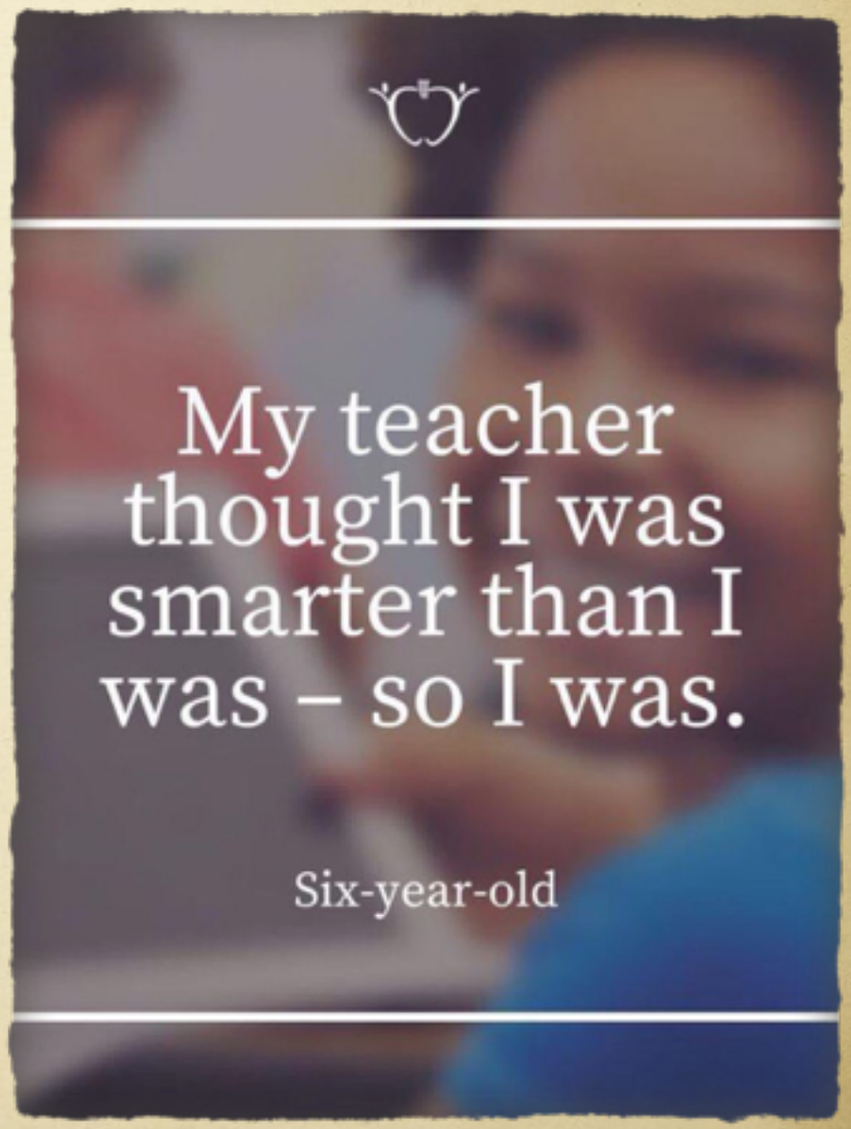
Positive Learning Environment

Is a place where all members of the school community are engaged in hands-on, real-world experiences and feel safe, empowered, supported and valued.

D97 Goals

1. Every community member feels like a partner in supporting our schools & each & every student

2. **Students & staff feel empowered, valued, & respected**



"...tools to prevent bullying (SEL) and adult-student relationships..."

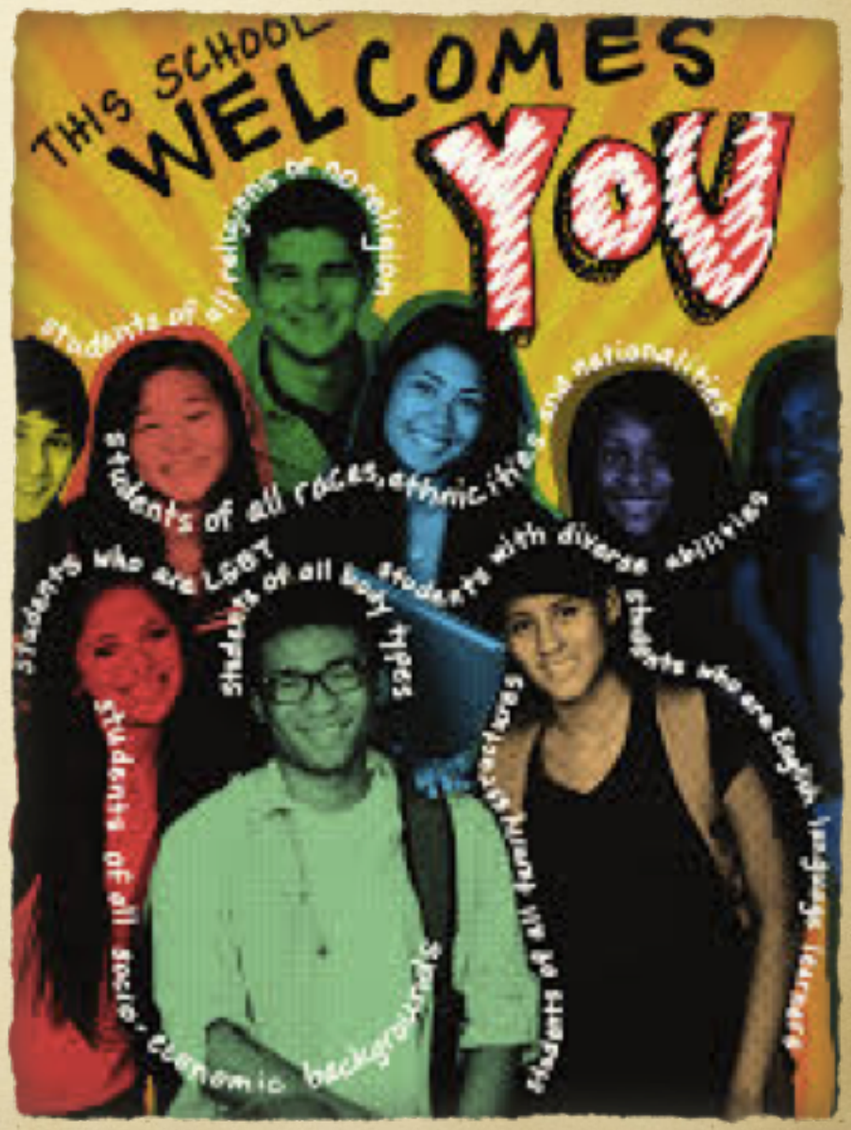
Inclusive

Is the collective responsibility to provide equitable opportunities for access and promote active participation of all stakeholders in an accepting and supporting environment

D97 Goals

1. Each student is known for who they are & their unique needs are met

2. Each student feels safe & a sense of belonging



"...wanting all to be included, to feel they belong, especially in context of special education..."

Focused on Whole Child

Is the practice of supporting, measuring and celebrating all aspects of a student's development (social/emotional, academic, physical, artistic expression) through caring and respectful relationships.

D97 Goals

1. Caring adult-student relationships

2. Students lead their own learning & become lifelong learners

"...recognize, support and engage all aspects of each student ..."

The work of education is learning.

Education is done by & with the learner

There is no average learner.

There is no average learning environment
