

# WINTER BREAK CAMPS

*After the holidays are done, there is still more time for fun!*

## Arctic Explorers Winter Camp Ages 4-7

Don't let the cold weather keep you inside over winter break; instead spend the week becoming an arctic explorer! Join us for this one-week camp to learn all about snow and ice, how animals survive the winter and spend some time outside!

## Jedi Engineering LEGO® Ages 5-6

Explore engineering principles by designing and building projects using LEGO® materials such as X-Wings, R2 Units, Energy Catapults, Defense Turrets, and Settlements from a galaxy far, far away. Create motorized and architectural projects with imagination and engineering to defeat the Empire!

## Chess Camp, Ages 5-12

This camp is designed for both beginners and experienced young players. Each class will consist of a fun, interactive teaching period and guided practice time. Children will have an opportunity to test for a Chess Belt under a unique Chess Scholars system patterned after martial arts belts. Each camper will take home a chess set and an award.

## Arts Winter Break Camp Ages 5-12

Students will create art indoors and even out (weather permitting), during their morning studio time. The morning will be split into two different 50 minute workshops, all exploring new ideas! After lunch campers will engage in games, free choice, outdoor time, and much more!

## Ceramics Winter Break Camp Ages 7-14

Get out of the house and join us in the studio. During this one-week, half-day camp, participants will get to try wheel throwing as well as experiment with coils and slabs. Never used a potter's wheel? Well, this is the perfect time to try—start planning your New Year's resolution to try new things, today!

## Jedi Master Engineering LEGO® Ages 7-12

Discover key engineering concepts such as gear trains, worm drives, pneumatics, and eccentric motion. Build projects using LEGO® materials such as X-Wings, AT-AT walkers, Pod Racers,

Star Destroyers, Cloud Cities, Settlements, Fortresses, and other complex machines and structures from a galaxy far, far away.

## Circus Camp, Ages 8-13

You will learn basic tricks and stunts straight from the circus. Trapeze and aerial silks will be taught. This is a unique opportunity and a great way to improve strength and coordination.

## Winter Adventure Camp Ages 8-12

Spend your winter break discovering all of the amazing outdoor winter adventures that Illinois has to offer. Whether it's skating on ice, or sledding down a hill you're sure to find your next favorite snowy activity! Campers will go on two field trips during this camp.
