Dear Lincoln Families,
Our Halloween parade and classroom celebrations were fabulous and fun! Thank you to all of the parents that helped their child prepare at home before school or during the lunch hour, attended the parade route, or assisted with the classroom activities. We appreciate your involvement!

Mr. Wiza & Mr. Raad, our PE Super Teachers

Ms. Hughes, our Amazing Assistant Principal

Lincoln Expansion

This morning's Community Coffee Meeting was well attended by Lincoln parents, community residents, Mr. Paul Starck-King and Jeanne Keane from District Office, Principal Silva, and the Superintendent and Project Engineer from Bulley & Andrews (www.bulley.com). If you were unable to attend today's presentation, we will email invitations for future monthly community meetings throughout the Expansion Project.

Additionally, we appreciate your flexibility and cooperation today with the implementation of our procedural changes to arrival and dismissal, and the results were very positive. We are expecting the installation of green construction fencing on Monday, November 5th, and this will also be the first day of our necessary changes for lunch/recess due to the reduced amount of available space on the west side of Lincoln for outdoor activities.

For updated information about the Expansion Project, visit our Lincoln School website and click the "Lincoln Expansion Project" button on the left side of the page
