Second Grade/Room 234

Be Respectful-Be Responsible-Be Safe

Be an editor. Can you find at least 3 errors?

Room 234 will continue to work on being loud, proud, and looking at the crowd as we prepare for our Poetry Slam.

Language Arts: We will:

- Continue to compare and contrast folktales and fairytales from various cultures.
- Continue with our fictional novel titled, A Rover's Story. What's Res' mission? What important goals does Res, Fly, and Guardian have on Mars? How will Res be able to return to Earth?
- Explore poetry and how words and phrases supply rhythm and meaning.

Math: We will:

- Continue in Module 7-Problem Solving with Length, Money, and Data.
- Sort, count, and make change with quarters, dimes, nickels, and pennies.

Students should practice their poem every day by standing in a far-off room while their family is in the kitchen. Are you loud enough? can the audience understand every word?

Homework this week:

- Read every day for at least 20 minutes. Document your reading on your reading log.
- Practice your poem for our Poetry Slam.
