IMPACT Travel Basketball - We are the original Impact Basketball in the State of Illinois with proven results. We are a competitive, high-level basketball program for boys and girls and have been a feeder system for over 20 years to many area high schools. Our program is designed to enhance the fundamental skills of players and show them how to transition those skills into game play at a high level. Many of our players have gone to play college basketball.

Maximum roster size per team: 10-12 players.

All children must be accompanied by an adult. Walk-in registration available on date of tryout. Tryout Fee \$25.00 online / \$30.00 at the door.
