District 97 Accelerated Learning Information Night

Join us to learn about
**MIDDLE SCHOOL MATH
ENRICHMENT PATHWAYS**

(Bridge and MAP)

and

ACCELERATION

(Single Subject and Whole Grade)

This year, we will combine our family Information sessions into one evening.

Families will learn about **Middle School Math Enrichment Program** (5th - 7th grade), **Acceleration** opportunities (K-8th grade), and **Summer Math Review** courses (5th - 7th Grade).

We're excited to share this information with you and hope you can join us!
