IGNITING IMAGINATIONS SINCE 1983!

The Center for Gifted is a 501(c)(3) not-for-profit educational corporation.

The Center for Gifted does not discriminate on the basis of race, color, gender, religion, or national or ethnic origin in matters of admissions or services.

Joan Franklin Smutny, Founder and Director

The Center for Gifted offers inspiring learning experiences in small, peer-group classes, in controlled, safe, nurturing environments. Due to the current diversity of opinions and protocols regarding face masks, we have found it effective and practical to place the issue in the hands of the individual families, thus enabling them to exercise their own discretion
