

NORYSM
SCHOOL
PHOTOGRAPHY
WITH PERSONALITY

Dear Washington Irving Elementary Families,

It's almost time for Picture Day! We're very excited to be coming to your school to photograph your child. Kindergarten, 1st and 2nd graders will be photographed **September 13th** and 3rd, 4th and 5th graders on **September 14th**. We will also be photographing siblings together on the youngest child's scheduled Picture Day. Please reference the schedule the school has provided you to know what day and time your child should be picture ready!

This will be our first time coming to your school and I'd like to tell you a bit about me! I've been photographing families and children professionally in Chicago for the last 10 years. As a mom of two and a former teacher, I have an appreciation for all the fun stages of these early years and how to capture genuine smiles. Unlike typical school pictures, my primary goal is to photograph your child's unique personality and to offer you a quality experience and a professional finished product.

Below is some information about Picture Day and the process:

- We will photograph your child both individually and with their sibling(s) if they attend the same school.
- Bright and bold colors photograph best. Avoid white, black, logos and big patterns.
- A secure online gallery will be used for proofing and purchasing, approximately 2 weeks after photo day and prints will be delivered directly to your home.
- Digital packages and Prints are available for purchase. Receive 50% off prints when you purchase digitals.
- Full digital image gallery options are available.
- 10% of order proceeds will go directly to your school.
- Framed portraits and canvases are available for purchase.

Please don't hesitate to contact me anytime: info@norsymphotography.com or 773-610-1008.

Best Wishes,
Tiia Norsym, *photographer/owner*

GRADES K, 1, 2 Thursday, September 13

GRADES 3, 4, 5 Friday, September 14
