## Additional Info / FAQs:

### Will students be doing formal academic lessons in this program?

No. The flavor of the program will be more similar to summer camp than to school. Students will not be sitting in desks and doing worksheets, instead they will be engaging in fun and creative activities in Spanish.

### What are the program dates?

The program will begin on Wednesday, August 22nd (the first day of school) and run through May 31st (the last day of school). The program will not run on half days (10/25, 10/26, 1/31 & 2/1) or on days off from school.

### Am I required to commit to the entire year?

For the sake of consistency in the class, we do strongly encourage students to stay for the entire year. However, if you need to withdraw your child for some reason, you may do so at any time. Tuition already charged will not be refunded, but you won't be responsible for any future payments once you notify us in writing of your desire to withdraw.

### Why don't you offer care for half-days?

Unfortunately, our busy and talented instructors are not available before 1pm.
