

Longfellow School Approved Snack List
FIFTH GRADE
2017-2018

To help ensure safety for all students, fifth grade students are only allowed to pack **fresh fruits** (no kiwi) and **vegetables** for snack time. As always, our students are not permitted to share snacks. Due to students with food allergies in fifth grade, any food brought into our fifth grade classrooms must **not** contain fish, kiwi, peanuts, tree nuts or eggs.
